

SUPER BRONYA **AND** **THE WORST FOX**

by Vasilisa Fomina

Super Bronya
flew over the city.

He caught all the thieves in one day.

But another day he did not
arrest only the last thief.

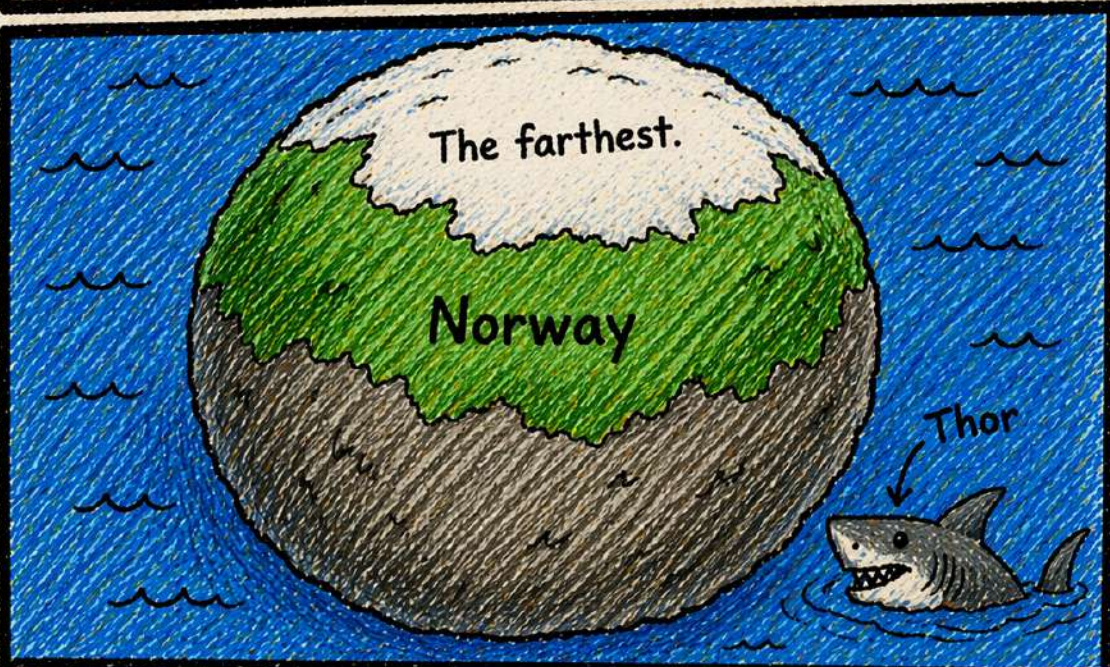

Haha.
No one will
ever arrest
me.

The farthest.

Norway

Thor

He was the worst animal on the planet Ruf-Woof.

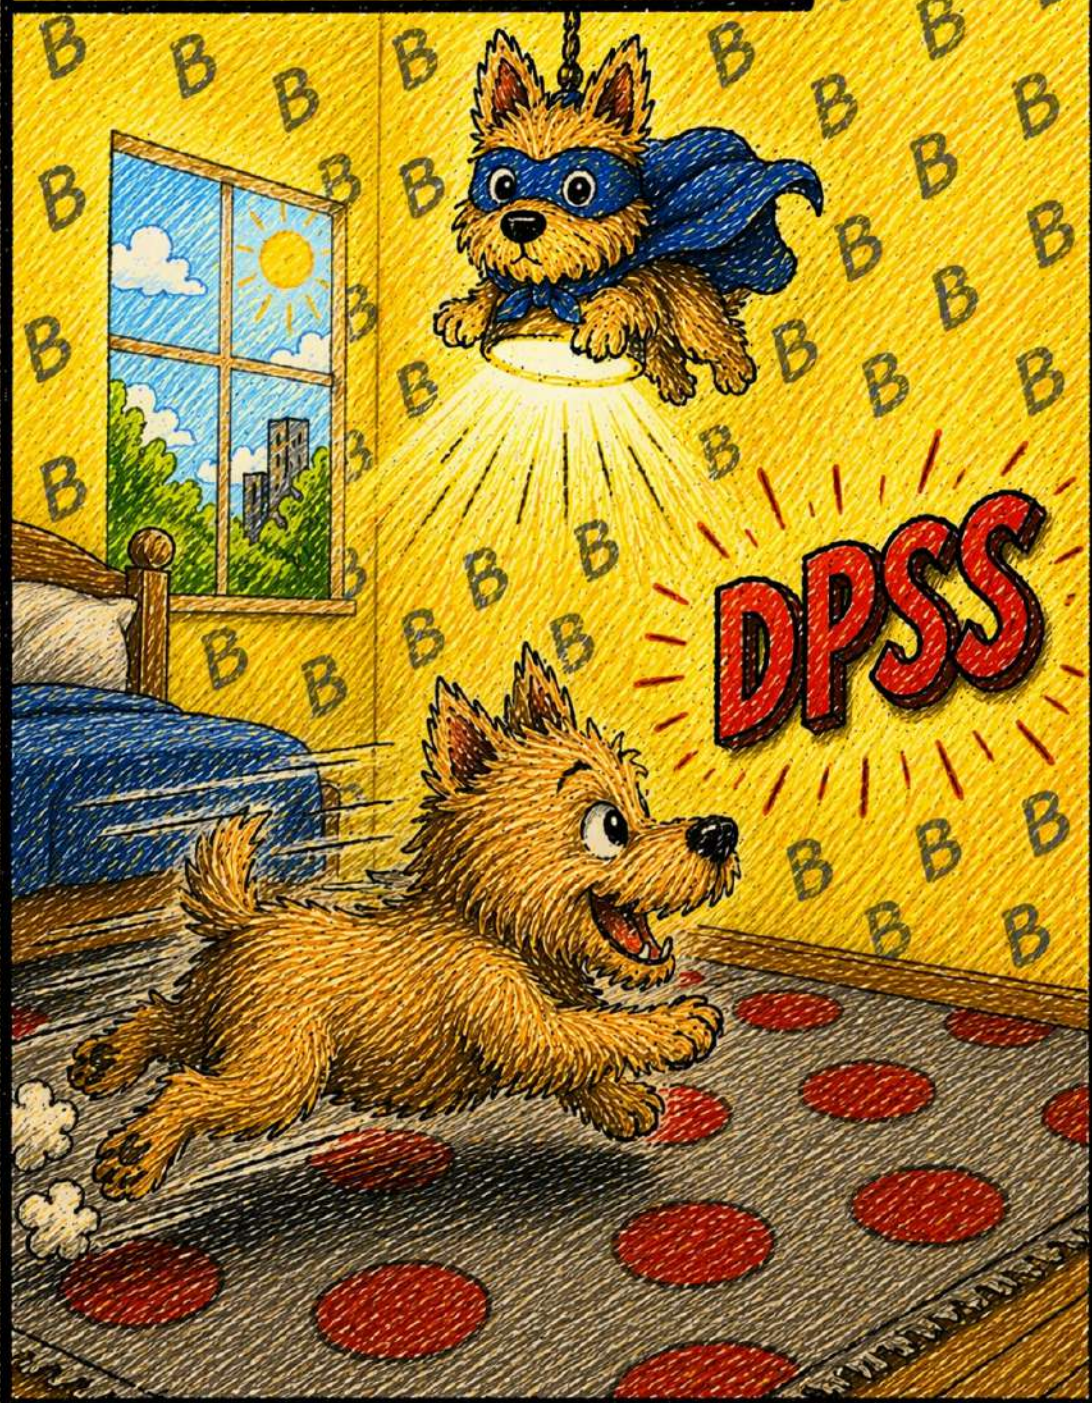

It was Super Fox

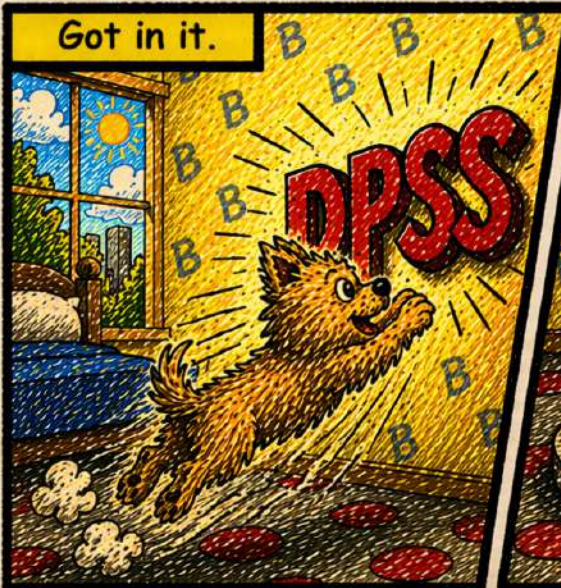

One day Bronya thought of what he needed to be thinking of.

He ran to DPSS in his room.

Got in it.

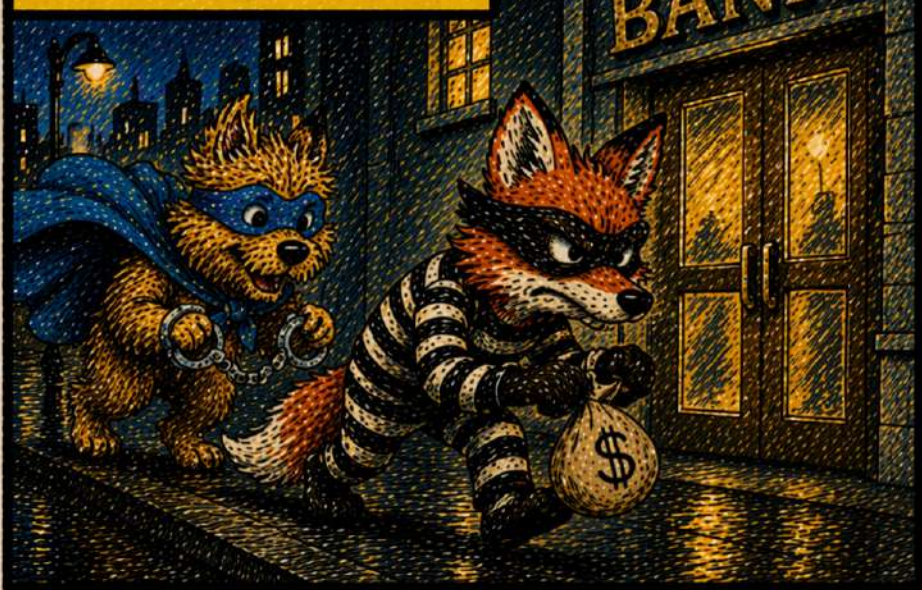

He flew though his house chimney.

Now he was Super Bronya.

He tiptoed to the worst fox
with handcuffs in his hands.

Gotcha.

Braa.

And then he called 911.

Yaaaa!

911!

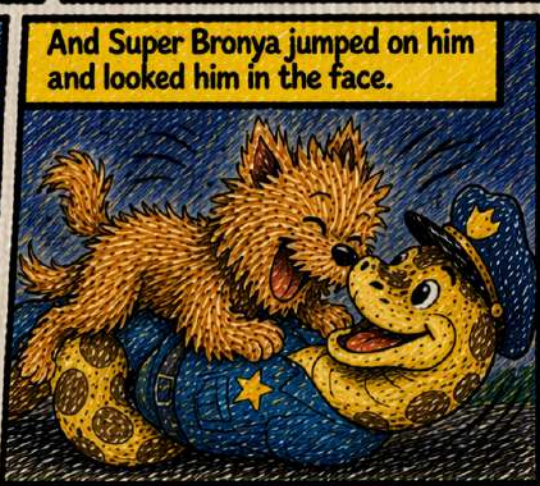

Grr.

And then his favorite police officer got out of his car.

And Super Bronya jumped on him and looked him in the face.

And then he told him what happened.

And then finally he arrested
all the thieves in Norway.

Good job
Super Bronya.
